Product serial number:	
Shipment date:	
Commissioning date:	

All charger products are warranted to be free from defects in material and workmanship for a period of **two (2) years from date of commissioning or twenty-seven (27) months from the date of shipment, whichever is earlier.**

During the term of warranty period: parts, assemblies, or components approved to be defective will be repaired or replaced at our option, free of charge. All costs related to removal, reinstallation and transportation will be paid by the purchaser/customer and/or operator of the product, if it is not a specially agreed term.

This warranty does not cover products or parts that are damaged due to improper use or abuse, as determined by the manufacturer. Accessory items or additional items carry only their respective manufacturer's warranty. Consumable items (such as fuses and electrolytic capacitors) which wear out under normal use are specifically not covered by this standard warranty. Any consequential damage due to diagnosis or repair by any party which is not authorized by manufacturer is not covered under this warranty. Any request for return or claim must be submitted to our company. Units not shipped prepaid or returned without prior authorization will be returned to the buyer. Any product that is returned and subsequently repaired or refurbished by EverExceed shall be warranted for a period of time commensurate with the time remaining on the original warranty.

Extended warranty can be offered based on actual order with additional cost. Please contact EverExceed customer service personnel.
